UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF LOUISIANA
LAFAYETTE DIVISION

THERESA D. THOMAS, ET AL.

CIVIL ACTION NO. 65-11314

VERSUS

JUDGE ELIZABETH E. FOOTE

SCHOOL BOARD ST. MARTIN PARISH

The upcoming June 14, 2023 submission referenced in Record Document 685 shall include expert opinion on the effect of the new attendance zones if M-to-M transfers are no longer available. In other words, the submissions should supply information regarding the racial identifiability of the schools after the discontinuation of M-to-M transfers under the parties' agreed-upon attendance zone proposals. The Court understands that such information would be hypothetical based on current enrollment and M-to-M transfer numbers.

IT IS SO ORDERED.

UNITED STATES DISTRICT JUDGE
